

The image shows a large, empty room with a red carpet. A central pillar with a white top and a textured, light-colored base stands in the middle. The ceiling is white with a grid pattern and several large, round, pendant lights. Large windows with dark frames and dark curtains are on the right side, letting in bright light. The walls are light-colored with some artwork and potted plants. The room appears to be a banquet hall or a large meeting room.
